

IFCA Monthly Information September 2020

Diversity, Communications, Training, Education, Safety

Illinois Fire Chiefs Association

From President Greg Earle, Centralia FPD

Well I did it again NO I did not cancel anything else, But I did have my other knee operated on and everything went fine. I have made a promise to many people including my wife and Jim g3 to take it easy – I will let you be the judge of that. Ok as I near the end of my term and prepare to hand off the gavel to Don – I want to thank you for all your help and patience during this year. Next month I will say a little more about our transition but for now Thank You IFCA Membership.

This letter will explain a new step or shall I say procedure for us – Electronic Voting 2020. JB and JG3 will explain the procedure and timelines within this note and through some email blasts – please take advantage of this opportunity and take time to read the remaining news items as we are busy and moving forward with anticipation of 2021 and beyond. Thank you, again from south/central Illinois. If you have any questions, please feel free to contact me or our administrative team. Stay safe, enjoy the last remaining days of summer and let’s look forward to better things to come. IFCA Greg Earle, CFPD

From Executive Director Chief Jim Grady, III (retired)

It is here and working – MemberClicks and soon IFCA electronic voting – 2020! I would like to thank John Buckley, Mark Puknaitis and Maureen for their help with this project. The goal is to reach out to as many members as possible with news, updates information and soon the electronic vote. Voting will take place from September 09, 2020 through September 16, 2020 at 5pm CDT. Detailed Information is included within this news letter.

President Earle mentions in his section the transition to Chief Don Shoevlin. This has been an interesting time for not only our association but for everyone, once again together we will all get through this, but what will change, what will be different and what is to come. No matter what we will do it – no doubt in my mind.

With the cancelling of our conference we will hold a small transition and swearing in program for the 2020/2021 IFCA Board in October. The Harlem-Roscoe FPD is going to host an open house for incoming President Shoevlin, I thank the HRFPD for their support & understanding of the change in venue for this year. Our IFCA Directors continue to meet on a monthly basis sharing ideas, gathering information and passing information along to our membership.

For 2021 we will have three (3) scheduled meetings for the full board as in-person/face to face. January our annual planning, Annual Symposium in May at the Para-Dice and Annual Conference in Peoria in October. The board will meet monthly by way of Zoom, call in and small group in person until the gathering restrictions are lifted and all feel comfortable in meeting. Our IFCA Board meets in many ways on a daily, weekly basis by way of calls and zoom meetings, this also goes for committees.

Changes have caused us to look at how we do business and the changes made, proposed and yet to be determined will be made with the decision process of improving our organizations communications, member involvement and accessibility of the executive board. I consider it an honor to serve and look forward to our future together.

If you have any questions or are in need of assistance, please never hesitate to contact me via email, text or cell calls.

Jim Grady III 815-693-5865 jgrady3@illinoisfirechiefs.org

IFCA Annual Elections

Attached to this newsletter are the positions to be elected and those submitting their nomination documents. Letters of intent & support have been received from all the candidates listed as of this date. A link to an electronic ballot will be emailed to the key contact of each active membership and all retired members next week. Currently, the intent is to have balloting open from Wednesday, September 9, 2020 through September 16, 2020. As a reminder, each active organization is allowed one vote for the presidents’ positions, directors (including VCOG) and representative for their area. Retirees will vote for the Retired Director. Links to information on those running for positions are included as part of the ballot. Please take five minutes (or less) to vote in this year’s election.

WE HAVE GONE VIRTUAL WITH OUR STAIR CLIMB

Due to the cancellation of the 2020 Illinois Fire Chief’s Annual Conference, the National Fallen Firefighters Foundation Stair Climb has also been cancelled. That is the bad news! The good news is, it has gone virtual!

Beginning September 11 through December 31, 2020, you will have the opportunity to climb the equivalent of the 110 stories of the World Trade Center at a location of your choice, (2200 stairs). This could be your local high school football stands or gym, park district or training tower. Not a stair climber? Then do a 5k run/walk. Form a team, get your family members to join, have a competition between shifts or departments! Registration is open to anyone and you have three months to complete your event.

Registration is simple, go to www.firehero.org, click on the events tab, 9/11 stair climb then stair climbs by state. Registration is \$30.00 and you will receive a shirt, honor badge and other NFFF swag, the more you raise, the more you receive. All proceeds go to assist the families of fallen firefighters. In 2019, the golf outings and stair climbs raised over 1 million dollars, please register so we can achieve that number again.

For question please contact Chief John Kachanuk at 309-543-2153 or j.kachanuk@havanail.gov.

IFCA Legislation Committee Update

The next scheduled legislative session is on November 17th. Calls for a return to Springfield have generally quieted down. There are no indications of the legislature convening prior to that date, at least at this moment. By that time, we will likely have the results of the November statewide election. Most signs point to the Fall (Veto) Session being focused on Covid-19 issues and matters that have driven recent civil unrest. However, this is 2020 and basically anything could happen between now and November. We continue to monitor Springfield activities and will work to understand which issues may impact the IFCA during the veto session.

Information Technology:

In July we launched our new member program to better keep our membership connected. You should have received a welcome email with login information. While you are logged in, please review and complete your profile - it is searchable to help people find you.

Each organization has a "Key Contact", this is typically the Fire Chief. This member has the ability to give other members the authority as a key contact. If you are the key contact, we ask that you review the basic information for your organization and update it as soon as possible.

We are also attempting to gather a relatively large amount of demographic information that may take some research on your part. The attached form may help you gather that information, to allow you to quickly enter this new data. Please take the time to fill in as much information as possible as this will help the IFCA make future decisions. Also, you will be able to search this data. We are moving all class and event registrations to this program. In addition, the IFCA Membership Program is going to be the workhorse that will collect member dues and support event registration and payment. We have expanded our ability to collect payments through credit cards with the hope of making transactions easier for you and for our staff.

The program remains a work in progress and we plan to continue with enhancements throughout the rest of the year.

If you did not receive this email, please check your spam folder and whitelist info@illinoisfirechiefs.org. If you still can't find the welcome email or have problems logging in, email info@illinoisfirechiefs.org and we will work to correct problems.

Administrative Professional of the Year – Application period is now open for the Administrative. Applications must be postmarked by October 5, 2020.

The full Administrative Professional Recognition Program 2020 Nomination Packet can be found on the IFCA website. The application must be mailed and postmarked no later than October 5, 2020.

We encourage everyone to not only take a moment to recognize and thank their administrative staff for the support they provide but take into consideration their impact to the fire service overall and their time contributions to all organizations outside of the fire service. Ask to see their updated resume and recognize the outstanding work and achievements so many of our administrative professionals have.

IFSAP Seminar Opportunity

The Illinois Fire Service Administrative Professionals are conducting a Fall Seminar on September 24, 2020. They are inviting Chiefs to the afternoon session "Tax Levies and Other Financial Topics" at no cost. The flyer and registration information are attached. Registration Deadline – September 10, 2020.

Reprinted: www.FireFighterCloseCalls.com

The National Firefighter Registry website is now active. Please take time to click the below to learn about it and how every firefighter-*every firefighter* - should be made aware of and participate in this important project.

To better understand the link between on-the-job exposure to toxicants and cancer, Congress directed the Centers for Disease Control and Prevention (CDC) to create the National Firefighter Registry (NFR). The NFR will be used to track and analyze cancer

trends and risk factors among the U.S. fire service to help the public safety community, researchers, scientists and medical professionals find better ways to protect those who protect our communities and environment.

Dear Business Owner,

Please permit us to introduce the ILLINOIS FIRE CHIEFS ASSOCIATION EDUCATIONAL AND RESEARCH FOUNDATION. The Foundation is a 501(c) (3) 36-3051900 not-for-profit corporation, incorporated on December 20, 1978, and amended May 20, 1980 to operate as a not-for-profit corporation under the laws of the State of Illinois. The Educational & Research Foundation's mission is to provide Fire Officer Certification courses, educational scholarships and grants for under-graduate, post-graduate, and vocational education, training, and research. In 1983, the IFCA Foundation Scholarship Program awarded its first scholarships and through 2019 has awarded 2558 scholarships totaling \$1,877,725. This program originally began with memorial gifts dedicated in honor of deceased Fire Service personnel and those supportive of the Fire Service. Intended as a vehicle for expressing a lasting and continuing remembrance of loved ones that will have long-lasting returns through the education and training of these future Fire Service leaders. Scholarships are designed to permit individuals within the State to further their formal education, certification and training through attendance at approved courses. As the program, evolved funds were donated by individuals, organizations, businesses and through our annual IFCA Foundation Golf Outing & Raffle. <https://www.illinoisfirechiefs.org/foundation/about-us/>

Over the past years we have seen a decline in golf attendance resulting decrease in revenue. To supplement our fund raising events we began a fishing tournament held each spring from Waukegan Harbor and we added the 1st Annual Top Gun event last year.

This year the Pandemic has devastated our fund raising endeavors as we cancelled both of these events. We did launch an online T-shirt program to help with fundraising while we were not allowed to meet in person.

With the re-opening of the State, we plan to continue in the sportsman's event style and we are scheduling our 2nd Annual Top Gun Outing. This event will be on October 17, 2020 at the St. Charles Sportsman's Club in Elburn. We will have two levels of shooters shooting 16 yard and 27 yard trap or the sporting clays course. Each bracket will have a top-gun/best score. We are very excited about this event and the opportunities ahead of us.

We are hoping to partner with your business to spread the word to potential attendees or sponsors. We offer various levels of sponsorship from premier event sponsor to raffle prize donor to heighten community involvement. The attached flyer lists the available sponsorship opportunities; additionally any items donated for the raffle are welcome.

We ask that you assist us by sharing this with your contacts and/or posting in your establishment.

Thank you, we appreciate your support.

Sincerely Yours,

Jeffrey A. Swanson
