Dear Prospective Conference Exhibitor:

The Illinois Fire Chiefs Association's 2021 Annual Conference rapidly approaches. Over the last **69** years the IFCA Conference has grown from a few tables in a hallway for vendors to display their products and a couple of apparatus in a parking lot, to today where we have the entire Peoria Civic Center with over 108,000 square feet of exhibit space. There is no doubt that the growth of our conference is due in part to your continued support and we truly cherish that support. We know that budgets continue to be tight; and hopefully your current economic climate contains to improve. However, this conference offers you an unique opportunity to display your products, and meet the people that make the decisions on what apparatus and equipment will be selected for their departments. At the 2019 conference we filled the entire civic center, so now is the time to arrange for your exhibit space and register for this year's conference. Again we will be combining with the Illinois Fire Apparatus Mechanics Association. The conference will be held at the Peoria Civic Center and the Peoria Marriott Pere Marquette Hotel in Peoria, Illinois. Additional rooms are being held at the Marriott Peoria Courtyard Downtown and Holiday Inn & Suites East Peoria Hotels. Dates for this year's conference are from Sunday October 17 through Wednesday October 20 with exhibits open on Monday October 18 and Tuesday October 19.

Once again we have reserved the entire 108,688 square feet of exhibit floor space at the Peoria Civic Center. Exhibitors may begin setting up in the exhibit hall on Sunday October 17th from 1 PM until 4 PM and on Monday morning from 8 AM until 11:00 AM. **All motorized equipment must be ready to enter the exhibit hall no later than 4 PM on Sunday. No motorized equipment will be allowed to enter the exhibit hall on Monday.** The exhibit floor will be open on Monday from Noon until 5 PM and on Tuesday from 11 AM until 2 PM. Lunch will be provided in the exhibit hall both days, and hospitality bars will be set up Monday afternoon. A raffle will be held on the exhibit floor and, should you choose to participate, we would welcome any and all donations of prizes.

On Sunday evening we have our Tired Travelers Reception at the Peoria Marriott Pere Marquette Hotel (7:00-9:00pm). We invite and encourage you to join us for this event. The Tired Travelers Reception will provide you an additional opportunity to talk with current customers and meet new ones.

This brochure contains information regarding exhibitor guidelines, sponsorship opportunities, hotel information and registration forms. It is intended to answer most of the questions that you may have regarding exhibiting at our conference. Should you need further information or have a question not answered in this brochure, please do not hesitate to contact us.

<https://ilfca.memberclicks.net/exhibitor21>

The Illinois Fire Chiefs Association's Conference Committee will do all in our power to ensure that you have a positive experience at our conference. We believe that outside of the FDIC, our show is the largest fire apparatus and equipment show in the Midwest, and we look forward to you being a part of it by joining us in Peoria in October.

Sincerely,

John Tierney
