Subject: GEMT Funding ALERT

Attention all Illinois Public EMS Transport Providers,

I just completed a conference call of which I received notice that the attached Cost report and IGA MUST be completed by Tuesday October 1, 2019 in order to be included in fiscal year 2019 funding opportunities for the GEMT. I will be another conference call with HFS tomorrow morning to ask for any extension if available. I strongly suggest doing whatever is needed to complete these items and forwarding to my Support Service Bureau Chief Phillip Giannattasio who I cc'd.

Please don't shoot the messenger as I am extending this information to you only as fast as I am receiving it. The IGA must be signed by your governmental leader and not the head of the fire or EMS agency. Please be sure to complete this by the due date of Oct 1. Please be sure to complete the signed spreadsheet completed as a PDF and submit both copies.

Thank you,

Mark J. Puknaitis
